THE MARLBURIAN CLUB CHARITABLE FUND

REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 31 MARCH 2018

STRUCTURE, GOVERNANCE AND MANAGEMENT

STATUS AND ADMINISTRATION

The Trust is a Charitable Trust registered with the Charity Commission number 1063749.

The Trust is administered by the Trustees who are appointed as representatives of the Marlburian Club, a club devoted to maintaining links between ex-pupils of Marlborough College known as Old Marlburians, and also with Marlborough College.

TRUSTEES

Miss O J Timbs (Chair)
J F Abell
SMW Bishop
Earl of Darnley
R J H Fleck C.B.E.
Dr P Morison

The body of Trustees shall consist when complete of 6 competent persons. The appointment of a Trustee must be made at a special meeting of The Marlburian Club Committee of which no less than 21 days' notice has been given and may be so appointed not more than one month before the term of an existing trustee expires. Each appointment must be for a term of five years. Trustees are *ex officio* members of the Marlburian Club Committee.

The Trustees have been appointed to hold office for the following periods respectively:

SMW Bishop until 6 July 2018
J F Abell until 6 July 2019
Earl of Darnley until 6 July 2019
Miss O J Timbs until 6 July 2021
R J H Fleck until 6 July 2022
Dr P Morison until 6 July 2022

MANAGEMENT OF RISK

The Trustees have carried out an assessment of the Charity's exposure to financial and operational risk, and has implemented procedures to control identified risks. The main risks to the Charity relate to the effective management of the Charity's investments and the recipient use of grants by recipients. The trustees address these risks through their close and active involvement in monitoring of grants and investments.

OBJECTIVES AND ACTIVITIES

The objects of the Trust are to manage the operation of the individual trust funds, known as Member Funds, created from specific donations and legacies received from Old Marlburians. On 5 September 1997 a revision to the constitution of the Trust was approved by the Charity Commission in order to simplify the administration of the individual Member Funds. The Member Funds with similar aims were merged together which resulted in four overall funds remaining; The Marlburian Club Educational Fund, The Marlburian Club College Fund, the Roger Heaford Daubney Fund and the Marlborough College Common Room Fund.

The Marlburian Club Educational Fund consists of the Konstam Legacy, Herbert Windeler Scholarship, South African War Memorial and the Old Marlburian Exhibition Funds. The income of the fund is applied towards scholarships tenable at Marlborough College or assistance towards educational activities.

The income of this Fund is restricted and the capital is endowed.

THE MARLBURIAN CLUB CHARITABLE FUND

REPORT OF THE TRUSTEES

OBJECTIVES AND ACTIVITIES (continued)

The **Marlburian Club College Fund** consists of the Marlborough College Centenary Fund, the Benevolent Fund and the Marlborough College War Memorial Fund. The Trustees may at their discretion apply the whole or part of the income and property of the Fund in the following ways and in the following order of priority:

1. In relieving Old Marlburians and their dependants who are in condition of need, hardship or distress;
2. For the general benefit of Marlborough College in such charitable ways as the Trustees think fit.

The income and capital of this Fund are unrestricted designated.

The **Roger Heaford Daubney Fund** is divided into two branches: the **Marlborough College Branch** and the **Bursary Branch**. The income and the whole or part of the property of the **Marlborough College Branch** may be applied at the discretion of the Trustees for the general benefit of Marlborough College. **The income and capital of this Fund are unrestricted designated.** The income and the whole or part of the property of the **Bursary Branch** can be applied in the award of bursaries for:

- Pupils at Marlborough College; and
- Former pupils who are at university, in the Armed Services or are training for professions.

The income and capital of this Fund are restricted.

The aim of the **Marlborough College Common Room Fund** is to provide grants to teachers at Marlborough College in order to enable them to expand their own extra-curricular experience and thereby enhance their work with pupils at Marlborough College.

The income and capital of this Fund are restricted.

GRANTS

The Trustees are responsible for the distribution of funds in the form of grants, bursaries and scholarships in accordance with the charity's objects and for evaluating whether grants made have been effective in meeting those objectives. The Trustees confirm that they have complied with the duty in section 17 of the Charities Act 2011 to have due regard to public benefit guidance published by the Commission in determining the activities undertaken by the Charity.

The majority of the Charity's recurring grants are currently used to fund scholarships and other awards established under the terms of the donations and legacies that comprise the restricted funds.

The Charity will also consider making grants towards the fees of young people while attending Marlborough College where such support is consistent with the College Fund's objective of relieving need, hardship and distress of eligible beneficiaries and their dependants. Such applications are means tested and are only made available where there are special circumstances that persuade the Trustees that the boarding or other facilities available at the College are necessary for the welfare of the student.

The Charity makes grants to the College to contribute to the cost of capital or other projects which further the College's aims and objectives.

INVESTMENT POWERS

The property of these Funds is invested in a pooled fund arrangement in accordance with the trust deed. The investment portfolio is invested in income and accumulation units of M&G Charifund and CCLA's COIF Charities Investment Fund.

THE MARLBURIAN CLUB CHARITABLE FUND

REPORT OF THE TRUSTEES (Continued)

REVIEW OF ACTIVITIES AND FINANCIAL RESULTS

The investment portfolio was valued at £6,735,703 (2017: £6,662,025), the increase of £73,678 was comprised of unrealised gains. The overall capital return was 1.1% compared to the FTSE 100 index which decreased by 3.6% and the FTSE 250 index which increased by 2.6%, and income yield was 2.5%. The funds have performed in line with the general UK market and the Trustees are satisfied with the long-term performance of M&G Charifund and CCLA COIF Charities Investment Fund. The Funds received investment and interest income of £167,418 (2017: £158,166). Grants paid and committed by the various Funds were:

	2018 £	2017 £
1. Marlburian Club College Fund	339,837	45,905
2. Marlburian Club Educational Fund	57,468	38,406
3. Roger Heaford Daubney Fund (Bursary Branch)	2,000	1,500
4. Roger Heaford Daubney Fund (College Branch)	-	-
5. Marlborough College Common Room Fund	150	650
	<u>£399,455</u>	<u>£86,461</u>

Marlburian Club College Fund

The College Fund committed to fund additional bursaries for three pupils at Marlborough College. One bursary is payable over five years from September 2019, and two sixth form bursaries are payable over two years from September 2018. The College Fund also made a grant of £14,000 to fund medical treatment for an old Marlburian

Marlburian Club Educational Fund

The Educational Fund pays a number of awards established by donations and legacies to the Charity. These include:

- Herbert Windeler exhibitions administered by the College's admissions department to pupils with "all round" potential in academic and sporting or cultural fields. There were two holders of Windeler bursaries during the year.
- Konstam awards which are given to pupils who are leaving the College and undertake charitable projects before starting higher education. The Charity made 14 Konstam awards ranging from £300 to £850.

The Educational Fund also committed to fund a bursary for a pupil who will enter the College's sixth form in September 2018.

Roger Heaford Daubney Fund (Bursary Branch)

The Charity funded two exhibitions awarded by the College to leavers who are continuing to higher education.

Roger Heaford Daubney Fund (College Branch): No grants were made during the year.

Marlborough College Common Room Fund: The Charity made grants to members of the College's Common Room who were undertaking courses to enhance their extra-curricular experience.

THE MARLBURIAN CLUB CHARITABLE FUND

REPORT OF THE TRUSTEES (Continued)

RESERVES

The reserves are split between unrestricted designated and restricted funds that relate to the individual funds and unrestricted general funds available to the charity for day to day use. The Trustees do not believe it is necessary to hold any unrestricted general funds as investment income is allocated to each fund after deducting expenses incurred. This ensures the maximum amount of funds are available in each fund for charitable purposes. The Charity's assets are sufficient to meet its obligations.

EXPLANATORY NOTES

Unrestricted Funds

These consist of funds generated from the administration and management of the individual trust funds and which may be applied at the discretion of the Trustees.

Unrestricted Designated Funds

These are funds which were originally established to allocate donations given for general application, or Unrestricted Funds, within designated purposes as approved by the Trustees. At the discretion of the Trustees, both capital and income can be applied towards other objectives.

Restricted Funds

These trust funds are subject to specific trusts declared by the donors or with their authority. They are represented by capital and income funds, which are expendable only in accordance with the conditions imposed by the donors.

Endowed Funds

These trust funds are subject to specific trusts declared by the donors or with their authority. The condition of the trust is that the capital element (investments) is not expendable. The income arising from the investments is applied only in accordance with the conditions imposed by the donors.

PLANS FOR THE FUTURE

The Trustees plan to continue operating the charity in accordance with its objects. The Trustees will give priority to identifying and supporting individuals who meet the criteria of the College Fund's benevolent objects, with emphasis on assisting with the education of the dependents of Old Marlburians whose circumstances make a boarding education necessary. The Trustees are continuing to work with Marlborough College to identify ways in which the charity may support the College's charitable objectives.

AUDITORS

A resolution to re-appoint Messrs Haysmacintyre will be submitted to the Board of Trustees.

THE MARLBURIAN CLUB CHARITABLE FUND

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The purpose of this statement is to distinguish the Trustees responsibilities for the accounts from those of the auditors as stated in their report.

The Charities Act 2011 requires the Trustees to prepare accounts for each financial year which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year. The Trustees have prepared these financial statements in accordance with the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with FRS 102.

In preparing the accounts the Trustees should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the SORP;
- make judgements and estimates that are reasonable and prudent;
- follow applicable accounting standards;
- prepare the accounts on the going concern basis unless it is inappropriate to assume that the charity will be able to continue to meet its objectives.

The Trustees are responsible for keeping proper accounting records which are such as to disclose, with reasonable accuracy, the financial position of the charity at any time, and to enable the trustees to ensure that the accounts comply with the disclosure regulations. They are also responsible for safeguarding the charity's assets, and hence from taking reasonable steps for the prevention and detection of error, fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF THE MARLBURIAN CLUB CHARITABLE FUND

Opinion

We have audited the financial statements of The Marlburian Club Charitable Fund for the year ended 31 March 2018 which comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2018 and of the charity's net movement in funds for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder. We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of trustees for the financial statements

As explained more fully in the trustees' responsibilities statement set out on page 6, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

**INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF
THE MARLBURIAN CLUB CHARITABLE FUND**

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Trustees' Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- adequate accounting records have not been kept by the charity; or
- sufficient accounting records have not been kept; or
- the charity financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with section 144 of the Charities Act 2011 and regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an Auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity's trustees as a body for our audit work, for this report, or for the opinions we have formed.

THE MARLBURIAN CLUB CHARITABLE FUND

STATEMENT OF ACCOUNTING POLICIES

FOR THE YEAR ENDED 31 MARCH 2018

ACCOUNTING POLICIES:

Basis of Accounting

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable to the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) – (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

Marlburian Club Charitable Fund meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes. As a smaller charity, exemption has been taken from the requirement to produce a statement of cash flows.

Going concern

Having considered future budgets and cash flows, the trustees confirm that they have no material uncertainties about the entity's ability to continue as a going concern for the foreseeable future. With respect to the next reporting period, the most significant areas of uncertainty that affect the carrying value of assets held by the charity are the level of investment return and the performance of investment markets.

Financial Instruments

The Charity holds only financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently recognised at settlement value

Investments

Investments are a form of basic financial instrument. They are initially recognised at their transaction value and subsequently valued at their fair value at the balance sheet date using the closing quoted market price. The Statement of Financial Activities includes the net gains and losses arising on revaluation and disposals throughout the year.

Income recognition

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income can be measured reliably.

Investment income is credited to income when it is receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank. Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

Expenditure recognition

Expenditure is allocated to the particular activity where the cost relates directly to that activity. However, the costs associated with the administration and governance of the charity is apportioned based on income attributable to each fund.

Grants payable are charged in the year when the offer is conveyed to the recipient except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year-end are noted as a commitment, but not accrued as expenditure.

THE MARLBURIAN CLUB CHARITABLE FUND

STATEMENT OF ACCOUNTING POLICIES

FOR THE YEAR ENDED 31 MARCH 2018

Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably.

Investment gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and opening market value (purchase date if later). Unrealised gains and losses are calculated as the difference between the market value at the year end and the opening market value (or purchased date if later).

Funds

Funds are accounted for as set out in the explanatory notes within the Trustees report.

Critical accounting judgements and estimates

In preparing these financial statements, the trustees have made judgements, estimates and assumptions that affect the application of the charities accounting policies and the reported assets, liabilities, income and expenditure and the disclosures made in the financial statements. Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.
